MOTIONS

13. **Recommittal of Bills:**
Hon. Francis E. Waive:

The House:

Notes that the Nigerian Institute of Transport Technology Act (Repeal and Enactment) Bill, 2025 (HB. 1038) and Nigeria Ports Economic Regulatory Agency Bill, 2025 (HB. 500) were passed by the Senate and the House of Representatives and transmitted to the President for assent;

Observes that certain provisions in the forwarded Bills are inconsistent or in conflict with the recently assented Tax Acts;

Cognizant of the need to further scrutinize the two Bills to expunge the inconsistency with the Tax Acts;

Resolves to:

Commit the Nigerian Institute of Transport Technology Act (Repeal and Enactment) Bill, 2025 and the Nigeria Ports Economic Regulatory Agency Bill, 2025 to the Committee of the Whole for consideration and passage.

14. Need to Confirm the Employment of Qualified Contract Staff in the Transmission Company of Nigeria:

Hon. Felix Uche Nwaeke:

The House:

Notes that the Transmission Company of Nigeria controls the management of the Afam sub-region station in Oyigbo Local Government Area of Rivers State and oversees the transmission of power from four power plants;

Also notes that Oyigbo Local Government Area is a host community to Afam sub-region station but the indigenes are employed as contract staff by the Transmission Company of Nigeria;

Worried that the Transmission Company of Nigeria has been conducting recruitment exercises, employing new staff from other parts of the country neglecting the indigenes who possess necessary qualifications and requisite experience, having worked as contract staff for at least five years, thereby causing friction within the host Community;

Concerned that if qualified and experienced indigenes are not given proper work opportunities and are limited to contract staff, agitations may escalate and disrupt power distribution in Abia, Akwa Ibom, Rivers, Bayelsa and Cross River State;

Resolves to:

mandate the Committees on Labour, Employment and Productivity, and Power to audit and ascertain the number of qualified Afam indigenes contract staff who have served for at least 5 years and investigate why their employment cannot be regularized during recruitment and report within four (4) weeks for further legislative action.

15. Need to Implement the Provisions of the Nigeria Police Academy Act, 2021 to Expand the Academy to Multiple Campuses Across the Country:

Hon Kalejaiye Adebayo Paul:

The House:

Notes that the Nigeria Police Academy (Establishment) Act, 2021, provides for establishment, development, and expansion of the Nigeria Police Academy as a degree-awarding institution for the training and education of officers of the Nigeria Police Force;

Also notes that Section 3 of the Act empowers the Academy, under the oversight of its Governing Council, to "establish such campuses, colleges, faculties, institutions, schools, and units within the Academy as may be necessary or desirable, subject to the approval of the National Universities Commission;

Observes that the Governing Council of the Nigeria Police Academy is chaired by the Minister of Police Affairs, while the Chairman of the Police Service Commission as alternate chairman and the Inspector-General of Police being a key member, among others;

Worried that despite the clear provisions of the Act, the Nigeria Police Academy continues to operate only a single campus in Wudil, Kano State, thereby limiting access and opportunities to quality police training across the country;

Cognizant that the establishment of additional campuses in each geopolitical zone will promote inclusiveness and strengthen the capacity of the Nigeria Police Academy to train officers effectively;

Resolves to:

- (i) call on the President, Commander-in-Chief of the Armed Forces, as the Visitor to the Academy, to recognise the importance of establishing additional campuses, approve recommendations of the Governing Council and mandate the Council to diligently pursue the expansion of the Nigeria Police Academy into a multi-campus institution to fully discharge its mandate for the advancement of policing, security, and national development;
- (ii) urge the Governing Council of the Nigeria Police Academy to immediately commence the implementation of the provisions of the Nigeria Police Academy Establishment Act, 2021, by facilitating the establishment of additional campuses in each geo-political zone in the country;
- (iii) also urge the National Universities Commission to consider proposals by the Governing Council, thereby facilitating the establishment of additional campuses to strengthen the capacity and accessibility of the Academy;
- (iv) mandate the Committees on Police Institutions Police Affairs, University Education and Appropriations to collaborate with the Governing Council of the Nigeria Police Academy to ensure that necessary legislative and budgetary provisions are made to support the establishment and operation of additional campuses;

16. Need to Include Representatives of Local Government Areas and FCT Area Councils in the Composition of Federal Account Allocation Committee (FAAC):

Hon. Shehu Saleh Rijau:

The House:

Notes that Section 7(1) of Constitution of Federal Republic of Nigeria, 1999 (as amended) establishes Local Government Area Councils as a 3rd tier system of Government, while Section 162(3) of the Constitution of Federal Republic of Nigeria, 1999 provides for the entitles the Local Government Councils to share directly in Federation Account Allocations as benefitting entities;

Also notes that the Supreme Court has construed Sections 162(5) and (6) Constitution of Federal Republic of Nigeria, 1999, to the effect that the States are agents of the Federation to collect Local Government allocations from the Federation Account and pay to LGCs and did not give the States any right or interest in the said allocations to the Local Government Area Councils, from the Federation Account. The Supreme Court went further to also state that the duty of the States is to simply convey to the LGCs their allocations from the Federation Account;

Aware that the Supreme Court has further recognised that the approach of a direct payment to the LGCs will achieve the intention and purpose of the Constitution and accord with the smooth running of the system of paying the Local Government Area Councils their allocations from the Federation Account;

Also aware that the Supreme Court has also pronounced to the effect that paying the LGCs through the States of the Federation has not worked, therefore justice demands that Local Government Area Councils' allocations from the Federation Account should henceforth be paid directly to the LGCs;

Observes that Section 5 of the Allocation of Revenue (Federation Account, etc) Act 1981 prescribes the membership of the Federation Account Allocation Committee (FAAC) to be only representatives of the Federal Government and State Governments to the exclusion of the 3rd tier of Government, i.e. Local Government Councils (LGCs);

Also observes that this provision of the Act is no longer consistent with the current interpretation of Sections 162(5) and (6) CFRN 1999 as recently determined by the Supreme Court in its judgment of July 2024;

Further observes that it is imperative to urgently harmonize the provisions of Section 5 of the Act with the Constitution and its current interpretation by the Supreme Court; and

Aware that the representatives of the States had always represented LGCs at FAAC; however, in light of the current position of the Constitution, as interpreted by the Supreme Court, it has become imperative that a representative of LGCs per State and FCT Area Councils be nominated to represent their interest at FAAC,

Resolves to:

- (i) urge the Federal Government to ensure one representative of each Local Governments Council per State and FCT Councils are included as a member of FAAC; and
- (ii) communicate the resolution to the Hon Minister of Finance and Coordinating Minister of the economy, as the Chairman of FAAC, for necessary action;
- (iii) mandate the Committee on States and Local Government to ensure compliance.
