MOTIONS

6. **Investigation of Electricity Debts Owed by Security Agencies, Ministries, Departments and Agencies (MDAs):**
Hon. Kama Nkemkanma:

The House:

Notes that Security Agencies, Ministries, Departments and Agencies (MDAs) of the Federal Government have accumulated substantial debts to Electricity Distribution Companies (Discos) across Nigeria;

Also notes that the Eko Electricity Distribution Company (EKEDC) reported a total outstanding debt of 144 billion naira, with Ministries, Departments and Agencies and the military owing 42 billion, naira;

Further notes that the Abuja Electricity Distribution Company (AEDC) is owed 47.1 billion naira by eighty-six (86) MDAs, including significant amounts by prominent institutions such as the Presidential Villa, the Office of the National Security Adviser, and the Ministry of the Federal Capital Territory;

Aware that the Nigerian Electricity Regulatory Commission's 2023 report indicates that Discos recorded a bill collection efficiency of 73.65%, receiving 1.07 trillion naira from customers out of a total invoice of 1.4 trillion Naira leaving a shortfall of over 300 billion naira;

Concerned that the continuous indebtedness of Security Agencies and MDAs to DISCOs adversely affects the operations of these Companies, leading to inadequate maintenance and expansion of infrastructure, which in turn hampers the overall electricity supply to the populace;

Also concerned about the recent Lagos incidents where military personnel have reportedly attacked facilities and staff of DISCOs over power-related disputes;

Disturbed that on 14 March 2025, soldiers invaded EKEDC's injection Substation in Badagry at 1:00 am, attacking and abducting staff over a power outage, earlier, on 6 March 2025, personnel from the Nigerian Air Force Base in Ikeja stormed the headquarters of Ikeja Electricity Distribution Company (IKEDC), attacking staff and journalists after the company disconnected power to the base over unpaid electricity bills amounting to 4.34 billion naira;

Cognizant of the need to ensure that Security Agencies, Ministries, Departments and Agencies of Government are financially responsible to pay up its utility to prevent future indebtedness;

Resolves to:

set up an *Ad-hoc* Committee to:

- (i) investigate the cause of accumulated electricity debts owed by Security Agencies, Ministries, Departments and Agencies (MDAs) to DISCOs;

- (ii) assess the impact of indebtedness on the operations of DISCOs and the implications on electricity supply in the country and examine the payment processes between DISCOs and government entities;
- (iii) investigate the recent incidents involving the Ikeja military personnel and DISCOs, including the invasions of Eko Electricity Distribution Company (EKEDC) and Ikeja Electricity Distribution Company (IKEDC) facilities, and recommend measures and strategies for the timely settlement of outstanding debts to prevent future occurrences, and report within four (4) weeks for further legislative action.

**7. Ravaging Effects of Gully Erosion in Kwanyawa Town, Karaye Local Government of Kano State:

Also notes that erosion in Kwangawa Town has caused severe damage to the residents of the area.;

Observes that landslides from the erosion have become a threat to houses, farmlands, schools, football fields, and the main road leading to Karaye, the Local Government Area headquarters;

Concerned that the erosion has caused fear among community residents and serious hardship for indigenous people, affecting their social and economic livelihood;

Resolves to:

- (i) also urge the National Emergency Management Agency (NEMA) to swiftly provide relief materials to the affected victims; and
- (ii) mandate the Committee on Environment to visit the Kwanyawa Town, Karaye Local Government of Kano State to assess the level of damage in the Area and report within four (4) weeks for further legislative action.

**8. Need to Address the Recent Flood, Windstorm, and Thunderstorm in Dass, and Tafawa Balewa Local Government Areas of Bauchi State:
Hon. Jafaru Gambo Leko:**

The House:

Notes that recently Communities across Dass and Tafawa Balewa Local Government Areas of Bauchi State experienced severe flooding, windstorms, and thunderstorms which claimed lives, farms, markets, worship centres, and critical infrastructure, rendering thousands of citizens homeless, jobless, and almost stripped off their human dignity;

Also notes that the scale of the disaster has plunged families into crisis, exposing the residents to disease outbreaks, hunger, poverty and long-term displacement;

Aware that the plight of Dass and Tafawa Balewa residents deserve the urgent attention and support of the Federal Government and relevant humanitarian agencies;

Concerned that if urgent action is not taken to address the flooding in Dass and Tafawa Balewa Local Government Areas, it will continue to deteriorate, thereby leading poverty, and precipitate serious humanitarian and security challenges within the affected communities;
